Having been elected to the position in 2008, I believe that I am best qualified candidate for House 45. I am currently serving on the House Education Committee, House Political Subdivisions Committee, and the Joint Capital Facilities and Government Operations Sub-Committee.

I have been an effective advocate for the constituents of House 45 by being fiscally conservative in the legislative process but making sure that needs of the people are being met. I have advocated effectively for the needs of students in Canyons School District while serving on the House Education Committee as well as public education throughout the state.

I am responsive to constituents including phone and email as well as holding public meetings to receive input from voters.
